NARNIA NEWS

Retreat!

Throughout his public ministry Jesus gives us the example of retreat. No matter how busy things got or what was going on Jesus valued these times away. They became a place for him to slow down, pray, and refortify him self for the work that was to come.

Come unto me all ye that labor and I will give you rest!

In following this example we have tried to craft a time that is restful and formative, while being fun and faithful.
